Dear Bronwyn

I am pleased to advise that the Public School Review of Ranford Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The performance of your school, determined through your self-assessment submission and validated by the review team, has been confirmed to be exceptional.

The timeframe of return for the next Public School Review of your school will be five years, to be undertaken in Term 1, 2026.

I acknowledge the efforts of you and your staff in optimising the conditions for successful students. The commendations for your school against each of the domains are noted.

Founded on the ongoing pursuit and commitment that the wellbeing, developmental and academic needs of all students will be a priority, a culture of teaching excellence, professional responsibility and accountability are evident. Your exemplary and innovative leadership provides a clear vision and direction for the future. It also highlights a genuine commitment to maximising student achievement in a supportive and values-orientated environment.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely

Melesha Sands
